Making Hope

We are very glad to let you know that, finally, by the grace of God, we have started our construction work. Now we are

working for the boys' dormitory. By the end of December, we have to complete the girls' dormitory, the Church cum hall room, the school house, and the kitchen house. Be honest with you, we have started this project by faith because we have no

other choice for our orphanage home. end of this year, we will move from our present rental house as per the MOU. It's not only a big challenge for us, but a

huge responsibility for us to take care of these children.

We are so thankful to you that you have trusted

us and for sending your contribution to the Delight Foundation ministry. Without your love, prayer, and contribution DF ministry

would never move forward. We need you and your prayer to complete two dormitories and another building. Your prayer always raises us from the hopeless.

Success story

We rejoice in the Lord and give all glory and honor to Him because our first batch of grade 10

students has passed the public examination. One of our students needs to improve 2 courses to graduate. We are thankful for your prayer support and great contribution. These students are preparing them to be admitted to the college. Two of them have decided to study at the nursing college. Your prayer and support are highly appreciated for their new journey in life.

Arising Hope

You already know that we are working with an unreached people group through the Educare center. Our main focus is to reach the underprivileged families through children. Our tool is a child to reach their family. Though it's not an easy task context but little by little we are trying our best. The encouragement for

us, your prayer, is with us. You will be happy

to know that God is already working among them.

9th year of Journey

By the grace of God, we have completed the 9th year of our

ministry.

From the beginning, we have seen so many miracles, blessings, and struggles.

Most of the time, God transformed our struggle into

testimony. God never left us while we have gone through so many difficulties. God help us to expand our ministry. Now we are taking care of 60 orphans and poor children under the Delight Children's Home. Through our Educare Centers, we are

ministering to 120 unreached children and families to support their education and connect with local churches. We have a school

ministry where around 78 poor and

community students are studying free of cost. We also have a spiritual care center called Praise and Worship Center. We

are so thankful to God and all of you because our ministry is growing, and even our children are growing too. Particularly,

God has provided a piece of land for our Children's home, and children are growing both spiritually and physically. All glory and honor to God. We humbly say thank you to all of you for your prayer support and financial contribution.

Thank you

I am very thankful to all of you because of your prayers and love, I am getting better from my health problem. Next June I am also planning to re-check my health. On the other hand, my wife and I got ordination from AOG Bangladesh last month. Now we are ordained ministers. It was a great blessing for both of us. It's a grace of God.

We will be pleased to provide you with more information about our ministry:
