New Journey for Delight Primary School

From the beginning of the Delight Primary School, our ministry team was working to get the recognition from the Education ministry of Government side to get some facilities for our school. As a Christian organization, it is a big challenge to get it. But we had full trust in God and hard work as well. So, finally, we are enlisted for the primary states in the Education department of

Bangladesh Govt. From this year Delight Primary School will receive some facilities such textbook, permission for the examination

for 5 grade. Although, our school will not get any financial support from that side official support to continue our school ministry in the community. Near future, we will work for the next step for the school ministry. Your prayer support is appreciated.

Blessings

Really thankful to God because He is a very faithful provider on right time. Our ministry is a faith-based ministry. Last three years we have faced so many difficulties but received plenty of blessings for our ministry. Our budget is very tide but sometimes God is very generous to bless us through His people. Thank God that finally, God has provided some ceiling fans for our children especially their dining room and school.

Educare Center

We called educare center is the entrance to make a communication with unreached people group of Delight Foundation Ministry. Now we are serving 86 children to make a

good relationship with their family in order to share the Gospel. 6 days in a week, helping extremely poor and unreached children through education and other facilities to help their lives to change.

Praise and Worship Center

We are very glad to inform you that 5 young students have passed the SSC Exam this year. We have celebrated their success last month. Every week some new participants are joining at Praise and Worship Center. Some of them are very regular.

Delight Children Home

It was a great time for our Delight Children Home because

they celebrated Bangla New Year, Good Friday and Easter Sunday. They performed special songs, drama, and special dance. Provided traditional food

and special food for them. On the other hand, some of them were sick because of the high temperature in the outside. They are getting better. Now, they are spending the summer vacation at DCH for 15 days.
