News Letter the Month of November-December, 2019

Dear all

This is the day that Lord has made to enjoy the season of Christmas! A time for remembering the past and hoping for the future. From my feeling and understanding Christmas is an also time to share our joy with suffering people to make a bridge to share the best love of God. May the glorious message of peace and love fill you and your lovely family with joy! Merry Christmas!

Delight Children Home and Delight Children School

This is a great thankful time to God because we have almost the end of the year. Because of His love and grace, we are very close to this year and ready to welcome the New Year. From the beginning of the year was a challenging year for us. We practically faced how difficult to survive our ministry but God is

always good and He is the side of us. Our children of Delight Foundation have completed their final exam especially 5 of them had the public exam of class five. They have done a great job. We are very happy with their smiling faces. We

have also arranged a Christmas party for them. It was full of joy among them through their presentation of carol song, dance, and drama. We also provided a special Christmas meal for them. Our Sermon theme was: Black, White and the Light. All are blessed through the presence of Holy Spirit.

Educare Center

We would like to thank God for His grace and love to our Edu-care centers. Our children of Educare centers growing nicely. This year we able to help over 100

children of the very poor community for their better education and other needs. We are very blessed to help their lives to change their lifestyle. It was time for thanks that God has done for us this year and conduct a Christmas program. We planed to share the gospel among children and finally have shared over 31 children this year. Next year we wish we want to extend 5 more centers to serve the suffering children and share the loving news of God All about God.

Praise and Worship Center

By the grace of God, we have overcome another blessing year for the Praise and Worship center. We have been able to celebrate

Christmas program and share our loving heart for each other. Next we are planning to extend 2 more praise and worship centers.
