Joy in the Lord!!

Dear all, this is our joy to inform you that our first batch of Delight Children Home and School for a public exam has archived a great result last January. We had a batch of six students of grade five and all have passed with talent score. It is happed because of God's grace and your all kind of supports faithfully. So, all credits go to you all. It is also a joy that our corkers are working very hard with our limited resources and hindrance but God is encouraging them to continue to carry this ministry. All glory to God.

Harvesting time

It is a great experience for our children and co-workers of Delight Children home to cultivate groups in our

upcoming land. We have cultivated mustard seeds in order to collect pure mustard cooking oil for our children. Delight Children home will be benefited from their loving work in the field. Especially on their weekend day, they work an hour in the field. The purpose of this work to learn practically about farming. We are praying for this land and our plan to move our formal and technical school and orphanage ministry in there within two years. We have no ability but believe that God can fulfill our desire. Even in the future, we have also plan to a vegetable farm, fruit farm, dairy farm, and fish farm to support our ministers in there. We are looking for that day how God will lead us to achieve our goal and target.

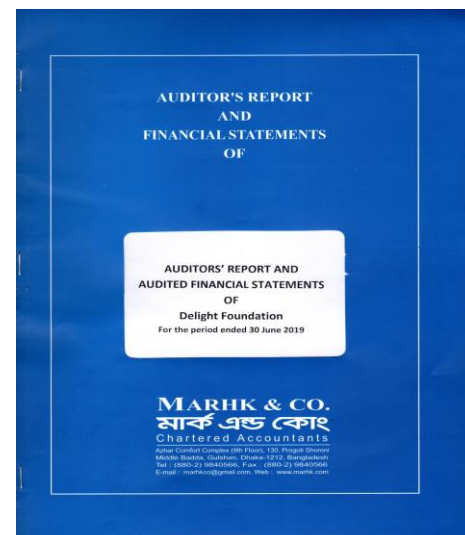

Textbook Distribution and New Students

We would like to say thank you for our government to give the textbook. It was a challenge for us as a new enlisted Christian school. But God had an opened door for us to get textbooks free of cost. We also allow admitting 31 new students in our Delight Primary school from the local community this year. Now we 86 students are studying under our school ministry.
