Dream Became Truth

Since 2018 our whole delight Foundation Family is praying for a piece of

land. The purpose is to build a Church, boys and girls dormitory, dining hall, School building, mini bible school, playground, garden, dairy farm, vegetable farm, fish farm, and chicken firm, etc for our Delight Children Home Delight Children Primary School. To accomplices this dream, we have to buy a piece of land. So it was a big challenge and out of our ability. But we had a full of trust in God through fasting prayer and action. So by the power of your prayer, encouragement God has made the possibility to buy land for our Ministry. Finally, we are very glad to inform you that we have able to buy a piece of land on 1st December 2020. It's a big milestone for Delight Foundation Ministry and you are a part of this. All glory and honor our Lord savior Jesus Christ for this great initiative.

Delight Children Home

From the beginning of Covid-19 in we were worried about our Delight children Home where 60 children are living in residential. Most of the organizations even govt. sent back the children to their permanent address. But We couldn't send them to their home because of their family crises and

condition. Until today our all children are saved from covid-19. We are able to continue their home school during this pandemic time.

Our children have finished already their final exam promoted to the new class. They have celebrated the Christmas program with a new Christmas dress. Thank God for every single blessing that He has done for our ministry to glorify His name! us

Educare Centers

In spite of the hindrance of Covid-19, we have tried to continue our Educare Center Ministry. Most of the children are joining continually in different Educare centers. Coming Christmas season, planing to give a blanket for each child of Educare

center. We are praying

for opening another Educare center among Muslime and Hindu Children in order to help them to know the truth of God from next January 2021.
