News Letter the Month of January 2021

Sharing of Love

There was cold in December and January especially village area in our country. It has

been an opportunity to share some blankets with our students of Delight Primary school and Educare centers. We believe that we have able to make smiles face of them to share some blessings. In different areas we have shared around 100 blankets. Thanks for your support and prayer with this ministry.

Delight Primary School

The children are happy to get the new textbook for the new year 2021. Although according to the government's decision all school is closed ut we have started home school so that our children can complete their course on due time. They are enjoying their school with all facilities. Hopefully the end of March they will be ready for their quarter exam.

Farewell of our Co-worker

From the beginning of our Delight Foundation Ministry, one of our co-workers named Mrs. Hanna Sarker has been retired because of age limitations. We are sad to say goodbye but we are also happy that she was a very faithful servant of Delight Children Home. We are thankful for her effort and investment in Delight Foundation Ministry. Please keep her in your prayer.

Educare Centers

This is the joy that finally we have started our all Educare center from the New Year. Students are happy to join regularly and enjoy themselves with friends. This is the year we have some new plans for our Educare center so that we can able to effort more for children. When the situation comes to normal then we will implement our new plan. Especially this year we would like to conduct some children camp, Medical camp and some other activities with our Educare center's children.

Delight Children Home

After the Christmas celebration, our all-loving children have come to Delight Children Home back. We thankful to God because they are good in health and mentally. Hope this will be another blessed year for them. It is a challenge for us but your prayer support will help us to overcome this challenge.
