NewsLetter Month of May 2022

New Challenge

We are very happy to inform you that finally, we have got a master plan (**proposed**) for our orphanage home, school, and other ministries. We are very happy that God has allowed us to

the ministry for them although it's a big challenge for us because

etc. Every delight foundation family is praying for this new challenge. We are humbly requesting please join with in prayer. Your prayer is our source and motivation to go forward.

of your continued prayer support and loving contribution, it's going well. We are praying and going to take another huge challenge to build dormitories for girls and boys, dining halls, schools for unreached children and church buildings, Hopefully coming October 2022, we plan to start construction work. In the first phase, we are planning to build dormitories and school buildings because we have to move our children to our new campus because of the agreement of our

present land owner.

Blessings

The month of May was one of the blessing months for our children because they had received some essential gifts. Delight Foundation family is very grateful to those organization authorities who open their heart to our children. especially we are thankful to Copion and generation BD.

Praise and Worship Center

Since 2016 we are serving among unreached people groups in Dhaka city through our cell group ministry. During the Covid-19 it was closed but now we have started again and people are attending in our group. Through this group, we

make fellowship with Bible study, prayer, and worship.

Educare Center

It was a great opportunity to visit our 3 Educare centers this month named, Khulna, Dinajpur, and Thakugoan. Our team members are taking care of 143 unreached children through our ministry. We are serving them through education and spiritual care.

Most of the children are very poor and their families do not have enough ability to take care of them with good coaching.

Delight Foundation is helping them to improve their lives. This year 10 children have been promoted from our Educare center with good results and reputation. They are now studying in high school.

Thanks to All

We would like to say thank you for your faithful prayer and financial support to us. It is quite impossible to continue our ministry without God's guidance and your believability. Contributions to our ministry to stretch the unreached people of Bangladesh and beyond well.
