

For you were once darkness, but now you are light in the Lord. Walk as children of light. - Ephesians 5:8

Dear praying friends,

Here it is again!!!!... once again we take out the bags and suitcases that keep the jackets and thick winter coats, including umbrellas, socks and boots, and if we put our hands deeper we find the gloves, caps and hats to protect us from the strong winter that characterizes Romania. It brings with it cold, rain, strong winds, snow and more snow.

Winter is here again!

As long as we are as pilgrims on this earth we will have days of trials that will help us get closer to our Lord, every day and season. Psalm 126.6." He who carries the precious seed will walk and cry; He plus he will come again with joy, bringing the sheaves of him".

Refreshed

Well, that is what we feel, refreshing ourselves in the company of one hundred brothers in a biblical training with the main theme, "Apocalypse", an event that took place for two days in September, in the quiet city of Pitesti, located in the heart of a fertile valley. It was a time of great intensity and blessing and at the same time we were able to meet many new Romanian friends and one or another foreigners.

How good it feels after being refreshed spiritually in training and coming home with full batteries to continue working!

Missionary Bible school

Walter continue to be part of the teaching team for the missionary school in Peru. In the month of September he thought the Course: Paul and his Epistles, virtually. It is comforting to see new Latin American Spanish candidates to serve God as future missionaries wherever God sends them.

Defenders of the christian faith

Although it was autumn on October 22, it was quite cold, but we did not mind attending this public March entitled, "Defenders of the Christian Faith" We walked from the heart of the city to Victoriei Square in Bucharest, in front of the Government building. That day around ten thousand (10.000) Christians gathered together, with harangues, shouts, banners, flags, carrying the light of Jesus for the Romanian people. Upon reaching the square, we all rejoiced with a nice music concert, inviting passersby to hear the word of God sung, preaching, giving bible tracts.

Turbulence

More than one person who has traveled by plane will surely have experienced turbulence when flying. Many people scream, hold on to the seats, some hug and despair when this arrives, even when the loudspeakers inform us that we will pass through a zone of turbulence. The thing is that it is short or long, if we are not prepared it can affect us. For 20 days in our family we saw Lixandra's father and Walter's brother die. They were difficult days, however God supported us with His Hand, we had to just hold on to Him, so that this turbulence does not shake us and hurt us beyond what we could handle. Both of us were able to see these relatives give their lives to Jesus one, four years ago, and the other in his last days, as he was dying. Our God has sent us strength and energy for pastoral work for them and the family, before and after, likewise, your prayers have been of great help.

Thanks

*For the support in prayer in difficult times of our two deceased relatives.
*For God's answer: With the help of God and with the help of parliamentarians, senators and deputies, with fear of God, in the recent days it was adopted a declaration by the Romanian Parliament on gender equality which was radically changed. It was stated in the statement that it is about equal opportunities between men and women, not between genders, which can be defined differently than God left in the human anatomy.
At the same time, following the last-minute negotiations, it was agreed to remove any reference to the concept of "gender", as well as the elimination of the phrase "violation of reproductive rights" (which could have many meanings).
Man and woman.
Glory to God.

Prayer points

* For Ionela, the new believer that recently was baptized. After her baptism she had many trials in her family being the only believer.
*We went to look for Cosmin, without finding him. Let's pray that he agrees to go to a rehabilitation center. He lives on the street, and winter is hard.
*For Shalom, an African girl we met, we shared the gospel with her, that she can give her life to Jesus genuinely.
*We met Maria, an Ecuadorian lady, married to a Romanian. Let's pray for them, they can receive our invitation and talk about the word of God.
*New persons in our Support Team. Brothers and sisters willing to dedicate time in serving the Lord along with us.

We are coming close to the end of another year and we are grateful for each one of you being part of our ministry and supporting us spiritually and financially.

May God bless you all,
Walter & Lixandra
