News Letter Month of February 2022

Memorable Day of our lives

The 21st of February, 1952 is the Day of Language Martyrs and a significant Day off the Bangali. On this day in 1952, Students in

Dhaka gave their lives for their mother language. The day is now called International Mother Language Day. On a memorable day, we get up early in the morning and pluck some flowers and then we walk to the shaheed Minar without a shoe on foot. Sometimes we are standing there silently and give some flowers in front of Shaheed Minar and give respect to all Language Martyrs.

That day we are arranging a cultural program and competition of drawing pictures. Our students perform their presentation song, Poet, Drama in the cultural program. Our teachers are discuses about International Mother Language for our students. This memorable day is the pride of our nation because it reminds us of our sacrifice of the martyrs of the mother language Day in 1952. We never forget our history.

Delight Primary School

The month of February is a very blessings month for us as Bengali because we called it

the month of Language. In this, we have arranged different activities at our school to remember the honorable Matrayes. This month we have been able to arrange an art

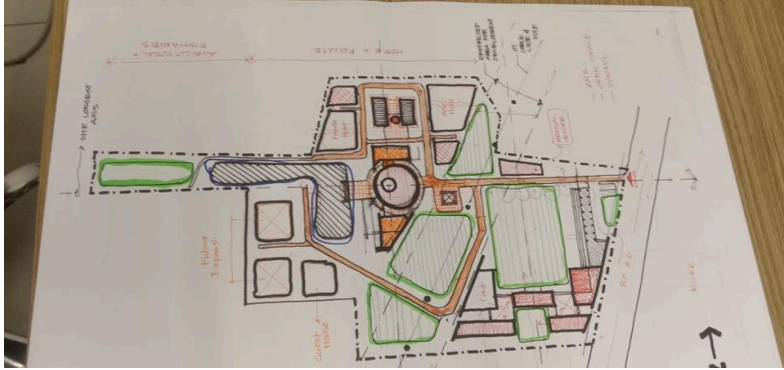

competition among our students. All students were so happy to attend this event. Some of them are talented to draw pictures. Hopefully, God will use their talent for His glory and kingdom.

Looking forward to New Campus

We are very glad to inform you that roughly we have made a master plan for our Delight Children Home and School. From the beginning, we are praying for that and our praying is continuing. One of the Bible verses is encouraging us to go forward. This verse is *"If you remain in me and my words remain in you, ask whatever you wish, and it will be given you"* John 15: 7. NIV. We are humbly requesting you

please pray for this building project for our Children. Under this master design there are School building for 500 students, dormitory, Church and chapel building and necessary building.

Delight Children Home

We are glad to inform you that Delight Children are growing mentally, physically, and spiritually. They are also studying well in school. Even every Friday are keeping fasting

prayer for all of you and our new building project. It's a joy that they are living in one family but they have come from different families, cultures, and rituals.

Partnership

We have become a partner with the Bangladesh Bible society to develop our

Children's spiritual growth. Every year the bible society will arrange different kinds of Bible base programs and they will provide bible and other religious books for our children. Hopefully, our children will be blessed through this ministry.
